ISSUE 32, APRIL 11TH

the Unless Press

Serving Greenville, Solla Sollew, and surrounding areas.

~ Guessing Games ~

To thneed or not to thneed? That is the question; at least, it might have been for the Once-ler. Here at the "Press", however, we prefer to ask the smaller questions (most of the time), like what a fan's favorite part in *The Lorax* is, whether or not Once-ler Con will become a reality, and fun trivia....

All of these topics will be discussed in today's issue, as well as an interview with an ask blog, features on several, lesser known ask blogs, an update on the Zombie AU, and more. •

~ Cons and Calls ~

Sound the alarm, because we've got several bits of interesting news to report on!

Calling all Volunteers!

Very recently, I (Plutonis), obtained a job position, and while this is exciting news for me, it also means that more hands will be needed to help me gather news, seeing as I'll be a lot busier! If you'd like to volunteer, please refer to the FAQ page on our main blog:

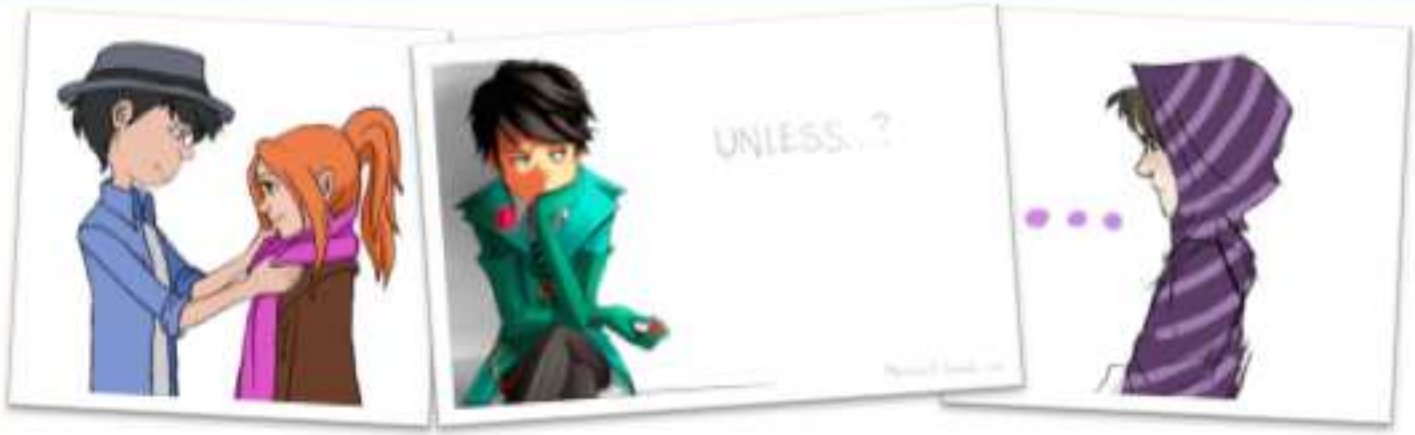
Once-ler Con a Go?!

Talk of a possible Once-ler Con has circulated for many months now, but, from what we've heard, permission to hold this event has been granted! Whether or not the Con will continue to move forward or be cancelled altogether, as well as what kind of a convention it will end up being (small or large), has yet to be decided. Here is hoping for the best for the future of this Con!

Late on the Update

Although it has been some time since we last reported on the Zombie AU happenings, Camp Entre is still very much alive. Newcomer Hyun has been giving most everyone grief, save for 72... whom he seems to get along with. Ted, meanwhile, has been battling even worse physical symptoms, from stomach pains to not being able to move at times, although his positivity has helped keep him strong. Better news is that Swag and Dave found some much-needed medicines, but will it be enough to rid the camp of its chronic cough?



~ Zooming in on the Ask Blogs ~

Are popular blogs the only ask blogs in existence? Certainly not! There is a whole plethora of old and new, loquacious and laconic, ones out there whom are lesser known, but just as special. Today, we take a peek at a few of those "in the shadows" Once-lers who deserve to shine in the spotlight.

Beast-ler

Somewhat similar to Dark-ler, this blog follows the journey of a Once-ler who, as a result of the Lorax's curse, was transformed into a beast, although his story is much more similar to the "Beauty and the Beast" tale in that it is a direct crossover. Thneedville isn't fond of him, but that doesn't make him that bad of a guy.

Kingdom-ler

Kingdom Hearts fans, you might want to check out this guy! A key blade master, this guy is ready for both fighting and fun!

Malt-ler

In the mood for a malt or some other type of dessert? Malt-ler is your Once-ler! With a cute personality and equally adorable artwork, this guy is worth a visit:

Charity-ler

This blog focuses on the Once-ler in his Greed-ler stage, with one difference: he's a reformed man of the charitable sort. Go say hello, if you so please:

~ Guess That Artist!! ~

You guys are pretty sharp when it comes to Truffula Trivia, but do you know your artists, too?

The first three people to correctly guess who drew this image (below) will get their names featured in next week's paper!!

~ Interview - Ask-once-ler-and-greed-ler ~

Join us as we interview ask blog ask-once-ler-and-greed-ler, a split personality Once-ler with both a lighter side and a darker side! Oncie's answers will be labeled 'A-O', while Greed-ler's will be labeled as 'A-G'.

Q. Do you and your Greed-ler half disagree about a lot of things, or do you get along pretty well?

A-O. "Half disagree?" M-More like all the time. T-There's pretty much nothing we don't fight about!

A-G. Aw, he's just stretching the truth. We haven't fought over anything ever!

A-O. Grr....

Q. What's your favorite time of day?

A-O. I like the day. It's great seeing the forest, and the trees. They're so pretty. I-I mean, i-it looks cool... n-not pretty...!

A-G. I like the night. That's when my husband, Artsy, and I can go out together.

Q. If you could switch personalities with any of the other ask blogs, whom would you choose and why?

A-O. Gentleman Once-ler. It seems like he's nice to everyone and he seems pretty happy and well... gentlemanly. And he's got a lot of friends, too.

A-G. Psh. Why'd I switch? I'm pretty freakin' awesome!

Q. Got any funny stories to tell?

A-O. Oh, well, one time, I... uh... I tripped and dropped a stack of pancakes and I got pancakes all over my house and syrup was all in my hair.

A-G. Funny? More like laaaaame. Looooooser!

A-O. Oh, be quiet!

A-G. What was that?

A-O. N-Nothing...!

I'd like to thank **Ask-once-ler-and-greed-ler** for participating in this Q & A session with us! If you're looking to talk to a classic Once-ler and Greed-ler duo (or, in this case, a split-personality ask blog), this is the ask blog to check out. Go and say "hello" to him sometime!

As always, many thanks go out to all of you who support this paper. Make sure to tune in next week for even more news, fun, and fan interviews!! •
